

# March in FS2

This month, our learning will build around:

- recognising members of the royal family and understanding the role of the king and queen
- understanding that George Stevenson was an inventor and identifying that he invented the locomotive
- recognising the similarities and differences between materials, sorting materials using different criteria and experimenting with different materials
- identifying places and areas in the local community

Some of the books we will be reading are:

We will be learning what these words mean:

- anxiously
- concentrating
- balcony
- clambered
- confused
- inventor
- locomotive
- steam engine
- shovel
- shovelling
- coal
- wood
- sort
- change
- experiment
- soft
- hard
- rough
- smooth
- float
- sink
- play area
- shops
- church
- road
- road signs
- map

Ideas to try at home;

Can you create a map of your journey to school?

Can you find objects that float in your home?
