Primary Science

Chemistry Everyday Materials

Biology Animals

Biology Humans

Biology / Physics Seasonal Changes

Year 2

Biology Plants

Year 1

Biology Plant Growth

EYFS

Biology Needs of Animals

Chemistry Uses of Materials

Biology Living Things & Habitats

Chemistry Solids, Liquids & Gases

Year 3

Chemistry Rocks

Year 4

Biology Classifying Organisms

Biology Food & Digestion

Physics Magnetism

Chemistry Particle Model

Physics Forces & Motion

Physics Sounds

Biology Plants

Physics Electricity

Biology Organisms

Chemistry Properties of Materials

Physics Light

Year 5

Chemistry Separating Mixtures

Physics Energy

Physics Light

Biology Evolution

Biology Further Classification

Physics Electricity

Biology The Human Body

Year 6

Chemistry Physical & Chemical Changes

Physics Earth & Space

Key Stage 3

Physics Forces

Biology Human Development

Biology Life Cycles
