Friday 12 September 2025

Dear Parent/Carer,

### Invitation to Parent Workshop: How We Teach Maths and How You Can Support at Home

We would like to warmly invite you to a **Maths Workshop for Parents and Carers**, taking place on:

**Thursday 15<sup>th</sup> January, 14:15 – 15:15 in the school hall**

This session is designed to give you a clear understanding of how we teach maths across the school, with a particular focus on **arithmetic skills** such as addition, subtraction, multiplication, and division.

During the workshop, we will:

- Outline how maths is taught in your child's year group
- Demonstrate the methods we use for core arithmetic operations
- Share strategies to develop number fluency and problem-solving skills
- Offer practical ideas and resources to support your child at home
- Answer any questions you may have about helping your child with maths

Whether your child is building confidence with basic number facts or beginning to explore more complex calculations, this workshop will help you feel more informed and empowered to support them in a positive way.

Please complete the form [here](#) to let us know if you will be attending. Please do so by Friday 9<sup>th</sup> January 2026. We hope to see as many of you there as possible!

Thank you for your continued support.

A handwritten signature in black ink, appearing to read 'M.P.'.

Mrs Michelle Preston  
Assistant Head
