Dear Parent/Carer,

Re: Appointment of Headteacher – Keyingham Primary School

I am extremely pleased to be able to inform you that following ratification by the Trust Board, Victoria White has been appointed as the new Headteacher of Keyingham Primary School.

Victoria's interview on Thursday 7 May included a presentation on her exciting plans to move the school forward over the coming years and it is clear that under her leadership improvement has taken place over the last six months.

Her appointment was effective from Monday 11 May and I am sure you will join me as CEO, and Paul as Chair of the Local Governing Board, in congratulating Victoria. We all look forward to working with Victoria over the coming years as she leads the school and the community through its improvement journey.

Yours sincerely

Dave McCready

CEO

Chief Executive Officer: D A McCready
