# Learning Beyond The Classroom

---

*Unlocking potential*

Have a look through your  
new book...

Which subject do you  
think you will start with?

# Then what happens?

- For every activity you complete, your teacher will sign the circle in that box.
- When you complete each full page, your teacher will ask Mr Copley to come and see you and your amazing work.
- He will reward your first full page with a house star badge, £K5 and we will contact home to say well done!
- After that, you will get £K5 for every page you complete in full from Mr Copley and another “well done!” message home.
-

Then ... get ready to spend  
your £K in The Keyingham  
Corner Shop!
