### Christianity

#### What is Christianity?

Over 2,000 years ago a man named Jesus Christ was born.

Christians believe Jesus was the son of God and that God sent him to Earth to save people from the wrong things they were doing.

#### What did Jesus do?

Jesus talked to the people and tried to show them the right way to behave. He told them lots of stories and lots of people followed him.

#### Stories Jesus told

#### What do Christians do?

Christians try to live their lives in the way that Jesus taught and showed them. They also pray and go to Church.

The Church is a special place for Christians.

### The Bible

Christians have a special book called The Bible. It has lots of stories in it about God and Jesus. It also has letters, prayers, poems and song in it.

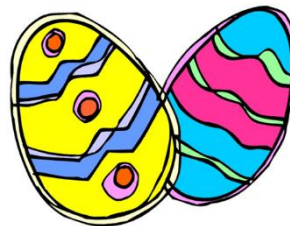

### What celebrations do Christians have?

Christians have celebrations for special times in people's lives;

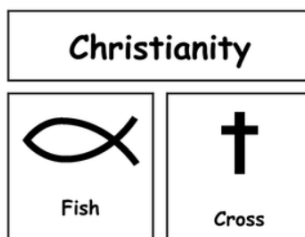

- Baptism
- Communion
- Weddings
- Funerals

They also celebrate **Christmas** and **Easter**.

### What is the symbol for Christianity?

There are lots of symbols for Christians but the main ones are The Cross and The Fish.

Jesus died on the Cross, so the Cross reminds Christians that God loved them so much he sent his only son.

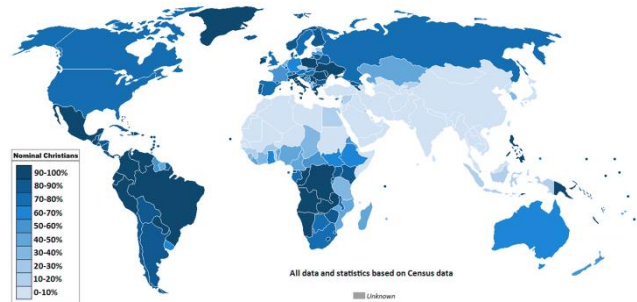

In Greek language, the words Jesus Christ, God's son and Saviour start with the letters, I, C, H, T, H, U, S. When you

put the letters together it spells ICHTHUS, which means 'fish', so some Christians wear the symbol of a fish.

### Where do Christians live?

Christians live all over the world but mainly in America, Europe and Africa.

Let's see how much you can remember about Christianity ...

1. What is a Christian's special place called?
2. What is a Christian's special book called?
3. Name two celebrations that Christians have.
4. Name a story that Jesus told.
