Dear Parents and Carers,

School Covid Assessment

Firstly, I would like to say thank you for your continued support throughout the last few weeks of letters and guidance been sent out from East Riding's Public Health Team. We understand that this is an ever-changing time and appreciate your ability to assist us in keeping us as safe as possible.

Over the past week we have moved back to using Bubbles within school. We have four Bubbles in total because of how the school is set out; Foundation Stage, Year 1 & 2, Year 3 & 4 and Year 5 & 6. The children have gone back to using different doors to enter and exit the building, meaning there is no cross over.

Over dinner time we have put plans in place to separate the classes as much as possible. The Year groups eat at separate times and cleaning of tables & chairs in between serving is now more robust.

You will have noticed all staff wearing face masks. We will welcome you to wear yours at pick up and drop off times.

Thank you again for your continued support.

Kind regards,

Lucy Richardson
Operations Manager
