

## Year 1 Autumn 2 Celebrating Difference

This second Jigsaw unit of work is all about celebrating difference. In this Puzzle (unit), the class talk about the similarities and differences between people and that these make us unique and special. The children learn what bullying is and what it isn't. They talk about how it might feel to be bullied and when and who to ask for help. The children talk about friendship, how to make friends and that it is OK to have differences from their friends. The children also talk about being nice to and looking after other children who might be being bullied.
