

## Keyingham Primary School's Outdoor Classroom

We are pleased to announce that the Outdoor Classroom is officially open!

This 5 meter octagonal classroom, with internal benches, decked floor and half clad sides will be mainly used for Forest School lessons, however, it will be used for our 10 minute pledge, Jigsaw lessons and the further curriculum.

The classroom also has a water butt, collecting rainwater and a mini wind turbine & solar panel to generate electricity inside the classroom.

The children can also use this space at break and lunch times.
