Dear Parents & Carers

### RE: National School Breakfast Programme

We are delighted to let you know that we will be providing a free breakfast service in school starting in the next couple of weeks!

The breakfast, that will be provided by the National School Breakfast Programme, will run every morning and will include bagels being offered to all children. The Bagels will be handed out as the children are walking into school in a morning. They will be located at the hall doors and will be served by our staff. The portions are set by the National School Breakfast Programme.

The National School Breakfast Programme is funded by the Department for Education and run by Family Action to support schools in England to provide children with a healthy breakfast at the start of the school day.

Family Action is committed to supporting child development, and believe a healthy school breakfast, without barrier or stigma, can set up children to succeed and give them the very best chance to learn.

I have attached the allergens page for the bagels. The spread for the bagels will always be dairy and soy free.

If you have any questions, please email [admin@keyinghamprimary.co.uk](mailto:admin@keyinghamprimary.co.uk).

Yours sincerely,

Lucy Richardson  
Operations Manager
